ANNUAL REPORT
OF
The Committee of Management
FOR
1928.

THE COMMITTEE beg to submit their 96th Annual Report to the Governors.

The number of patients who applied for treatment during the year was greater than that in any previous year, and is abundant evidence of the growing usefulness of the Hospital and appreciation of its work in South Warwickshire.

The following figures give some idea of the work done in 1928 as compared with the previous year:—

	1927.	1928.	Increase.
<i>In-Patients :—</i>			
Number admitted	1510	1657	147
Average number resident daily ...	93	100	7
Number of major operations performed	539	608	69
Number awaiting admission on the 31st December	36	91	55
<i>Out-Patients :—</i>			
Number of new Out-Patients ...	4537	4861	324
Number of Out-Patients' attendances	25821	29553	3732

For the second year in succession the Committee are glad to report that the financial aspect of the year's work has terminated more satisfactorily than they anticipated would be the case.

The Excess of Expenditure over Income for the year was £795 17s. 11d., as compared with £568 5s. 5d. for 1927 ; and the accumulated deficit on the maintenance account was £2,999 3s. 11d. on the 31st December, 1928, but Legacies bequeathed for investment amounting to £3,811 17s. 1d. have been added to the Capital Endowments during the year.

The following is a comparative statement of Income received during the last three years :—

	1926.	1927.	1928.
	£	£	£
Annual Subscriptions	2325	2304	2446
Donations	625	637	1339

	<hr/>	<hr/>	<hr/>
	£18594	£17363	£19139
	<hr/>	<hr/>	<hr/>

The above figures show that with three exceptions every source of income has increased, which is very satisfactory and bodes well for the future.

The Committee again desire to express their very grateful thanks to their many supporters, far too numerous to mention separately, upon whose united efforts the welfare of the Hospital so largely depends.

The following is a comparative statement of Expenditure during the last three years :—

	1926.	1927.	1928.

	£19515	£17931	£19934
	<hr/>	<hr/>	<hr/>

The principle increase—Establishment—£1,285 more than in 1927, is chiefly due to the new boiler installed last Spring, costing nearly £1,000, towards which special contributions amounting to £764 12s. were received as shown in the Income Account. The other increases are mostly due to the extra work which the Hospital has been called upon to do.

The Special Appeal Fund, opened in 1925, was closed in February, 1928, the total receipts amounting to £7,704 15s. 7d., which were allocated by the Appeal Committee in the following manner :—

	£	s.	d.
Invested under the schedule of investments applicable as income in the Charity Commissioners Scheme established on the 7th September, 1928, “ but all or any part of it may only be so used in the case of extreme necessity and after a resolution to that effect carried by a majority of two-thirds at a Court of Governors summoned as specified in Rule 26 ”	5515	2	5
Placed on deposit at the Bank in the names of Trustees as a permanent security against the overdraft on the General Fund	1500	0	0
Special gifts transferred to the General Fund	590	9	1
Expenses of the Appeal	99	4	1
	<hr/>		

After negotiations extending over several years, a Scheme for the future administration of the Hospital's invested Funds and Lands, prepared by the Charity Commissioners and approved by the Governors at the last Annual Court, was established by the former on the 7th September, 1928. The full text of the Scheme will be found on pages 29 to 35 of this report.

Several improvements to the Hospital have been carried out during the year ; the most important being the new boiler referred to above. A new Water Softener has been installed at a cost of £330, and is giving very satisfactory and economical service. The kitchen and sanitary annexe of the Children's Ward has been remodelled at a cost of £350 (to be borne in 1929). This improvement was long overdue. And thanks to the generosity of Mrs. Albert Cay, who has paid the entire cost, the principal storerooms in the basement have been enlarged and equipped and now give adequate accommodation for the provisions and hardware stores.

In pursuance of the resolution passed at the Special Court of Governors held on the 31st October last, the Committee have obtained tenders for the extensions to the Nurses Home and to the male and female surgical wards, and these buildings will be begun very shortly. The estimated capital cost of the Scheme, which as revised will provide 20 more beds for patients and proper accommodation for the entire Nursing and Domestic Staff, is £7,893.

The Committee have received with very much regret the resignations of Lord Algernon Percy, who has been President of the Hospital for some 30 years; and of their Chairman, Captain J. R. Heber-Percy; and of Major Robert Emmet, Chairman of the House Committee, upon leaving Warwickshire. They wish to place on record their appreciation of the valuable services which these gentlemen have given to the Hospital.

The Hospital has lost by death Mr. Echlin Storry Molyneux, who was Honorary Surgeon for sixteen years. His death was particularly tragic, his fatal illness having been caused by his work in the Hospital. Mr. Molyneux was a distinguished member of the Staff for many years, and his technical skill and delightful personality will not lightly be forgotten. A portrait of him has been placed in the Board Room, in recognition of his valuable services to the Hospital.

The vacancy caused by Mr. Molyneux's death was filled by the Election Committee, who appointed Mr. E. Gordon Dingley, F.R.C.S., Edin., Honorary Surgeon; and Mr. Geoffrey G. C. Taylor, M.B., B.S., Durham, to the office of Honorary Assistant Surgeon, vacated by Mr. Dingley.

For the first time in connection with this Hospital, a "Pound Day" collection was made in October last. The burden of the organization was borne by Mrs. Charles Phillips and her Committee, who spared no pains to make the collection the unqualified success which it proved to be. Some 18,000 lbs. of Provisions were received as well as over £100 in subscriptions.

The Committee again have pleasure in presenting with this Report, an account of the work of the Ladies Visiting and Samaritan Committee, on page 27, and also of the Linen League, on page 24, which has considerably increased its revenue this year. They desire to record their appreciation of the valuable work done by these Ladies' Organizations, which serve the Hospital and the patients so well.

The Committee also desire to express their thanks to the Honorary Medical Staff; to Miss Nuttall, the Matron, and the Nursing Staff; Miss Bruce, the Dispenser; The Rev. H. H. Birley, Acting Chaplain; Mr. Rudall, the House Governor and Secretary, and to all the other members of the Staff. They have carried out their duties with their accustomed thoroughness and enthusiasm, and the many letters received from grateful patients give adequate testimony to the value of their work.

In conclusion the Committee again desire to call attention to the debt on the Maintenance Account of £2999 3s. 11d., with which the year 1929 begins. The need of an increased regular income is still imperative, particularly as the cost of maintenance will rise again when the extensions referred to above are put into use. The upkeep of the Hospital should be a common burden shared by all, and the fact that Leamington, for instance, yields less than £1,000 per annum and Warwick less than £200 in Annual Subscriptions (excluding the Contributory Scheme), shows that the Hospital is still not receiving the support it needs and deserves.

H. R. HEATLEY,
Acting Chairman.
